

LexisNexis® Firco™ Global WatchList®

LexisNexis® Firco™ Global WatchList® is a comprehensive collection of watchlists from sanctioning bodies, law enforcement agencies and financial regulators around the globe. By continually expanding Global WatchList® with regulatory and enhanced due diligence data and lists, LexisNexis® Risk Solutions (LNRS) offers you the most up-to-date and accurate information to help protect your business. We can provide you with tailored watchlist packages that contain only the lists you request.

The Global WatchList offering includes the following data categories:

- **Regulatory data**, sourced from the world's sanctioning bodies and financial regulators.
- **Politically Exposed Persons data**, including a comprehensive dataset of Politically Exposed Persons.
- **Enhanced Due Diligence data**, including data on negative news reported about and enforcement actions taken on entities concerning their involvement in financial crime.
- **Vessel Enhancements data**, including data on vessels sanctioned by major regulators such as OFAC and vessels owned by individuals or companies to whom sanctions apply.
- **Dual-Use Goods data**, covering EU and U.S. lists of goods that may serve a civilian or military purpose, and to whom international trade restrictions apply.

In order to purchase data from Global WatchList, or to receive more detailed information of the data we provide, please contact CustomerSuccess@LexisNexisRisk.com or your dedicated account representative.
